Geesa Mirror collection

Discover the new Geesa shaving mirrors
Smarter, stylish, and tailored to customer needs.

We're introducing a comprehensive update to our shaving mirror collection. From advanced LED technology to elegant design options – these innovations offer even more ways to meet diverse customer preferences and enhance the bathroom experience.

Shaving mirrors that do more than just reflect

- **Perfect lighting at any time of day** - Our LED shaving mirrors offer a choice of three light tones – warm light (3000K), neutral/mixed light (4500K), and daylight (6500K)
- **Smart touch button** - Equipped with an LED on/off display for effortless operation and a sleek, modern look
- **Fits every bathroom style** - From elegant freestanding models to basic wall-mounted mirrors – there's a perfect match for every interior
- **Luxurious look, premium finish** - Our high-end shaving mirrors elevate bathroom design with refined details and quality craftsmanship
- **Timeless colours** - Available in stylish chrome and trendy matt black

CORAM

USP's

1 Magnifying effect: the reflection in the mirror is enlarged 3 or 5 times

2 Durable: use of resistant materials, ideal for use in the hospitality industry

3 Warranty: this series comes with a 2-year warranty.

LED shaving mirrors:

4 Touch control: with LED on/off display

5 Lighting: adjustable to warm light, mixed light and daylight (3000K / 4500K / 6500K)

6 Moisture resistant: shaving mirrors are suitable for damp rooms thanks to IP44 rating
